

THE SILVERSEA DIFFERENCE

 SILVERSEA®

WHY SILVERSEA?

When compared to competitive cruise lines and land-based resorts, Silversea is consistently ranked one of the world's premier holiday experiences.

One simply cannot compare a big ship cruise experience with a Silversea voyage. Voted World's Best year after year, it is the sum of personal moments and unexpected pleasures – all with our warm Italian touch that makes a Silversea voyage so much more.

PERSONALISED SERVICE

A level of attentive, yet unobtrusive service that is unmatched.

Silversea's six star service is simply the world's best. It is a philosophy, an attitude – complemented by distinctive Italian style and inherent in all that we do. Achieving perfection is driven by our desire to please – to see you smile. It begins the moment you step aboard, with a warm welcome and a flute of champagne, and follows throughout your voyage with an unspoken anticipation of your needs, where nothing, no matter how superfluous, is overlooked.
